The best replacement exhaust for your motorcycle!

JAMA ORIGINALS are made out of high quality steel (stainless or chromed) and are available for a large number of classic motorcycles.

The quality of a JAMA ORIGINAL equals or even exceeds the quality of the standard factory exhausts. If you want to maintain the original looks of your motorcycle without the tremendous costs of a factory exhaust...

JAMA ORIGINAL is the perfect solution!

★ JAMA ORIGINALS ARE ALSO AVAILABLE AS FULL SYSTEMS

MARSHALL Deeptone 4 into 1 System

- ★ CLASSIC LOOKS
- ★ DEEPTONE SOUND
- ★ PERFECT AND EASY FITMENT
- ★ OFFICIALLY HOMOLOGATED

The MARSHALL DEEPTONE is THE exhaust system for classic Japanese motorcycles!

These beautiful full exhaust systems are completely chrome plated and very easy to fit. MARSHALL DEEPTONE exhaust systems are officially homologated and are well known for the dark deeptone sound.

The MARSHALL DEEPTONE is designed to give your classic bike the perfect classic look.
